

Photo Festival

Your guests become the Event Photographers and create an instant buzz around your event, using social media. Users upload their images with a preselected #hashtag to Facebook, Instagram and Twitter. Once uploaded, our system takes the image and adds it to the slideshow playing on the 46" screen display, at the same time, the image is printed so your guests have a copy to keep.

Candid Photography

Get perfect pictures of your next event to share with your friends or guests. Never forget the most important moments by having us photograph your entire event. From concerts, conferences, trade shows and the like, we do it all - with a smile.

Photobooths

Classic Photobooths will never go out of style and are perfect, when you want to add a splash of fun to your event. Just as you would expect, we bring some whacky props for guests to pose with. Our Photobooth Attendants always add energy to of your event, ensuring each guest walks away with a great photo experience and a lasting memory of your event.

Online Photo Galleries

Share all the images from your event seamlessly with your guests by using our Online Photo Gallery. Our new state of the art system, allows your guests to order, share or print images directly from their own computer. Images are uploaded to our Password Protected Gallery and can only be accessed by those you invite.

Mosaic Pictures

Our system creates a massive mural of your choice, using hundreds of individual images captured at your event. A new spin on the classic slideshow format, our Mosaic Service is perfect for the main attraction at your next event.

Atmosphere

Atmosphere is a stunning arrangement of four crystal clear 65 inch displays, that work together to deliver the most jaw dropping performance of any portable display system in the world today. Atmosphere can be configured in many ways to suit your event's needs. It can play a slideshow of your images with background music, or be cued up to play four separate videos that combine together to make one unforgettable performance. Get a live band feel without the live band cost.

Dance Heads

The ultimate interactive entertainment service will captivate your guests and have them talking about your event for days after. We take groups of up to three participants and place their actual heads on the dancers in the videos. The result is legendary, as your guests become the entertainment. Each group gets a DVD of their performance to cherish.

Digital Graffiti Wall

Your guests become the artists with this fun interactive 6 foot display. We capture their image, show them how to get started, then stand back and watch their creations take shape. From drawing a moustache on anyone to designing a Christmas card right in front of your eyes. A photo quality print is theirs to keep. There is no limit on what we can do with the Digital Graffiti Wall.

Green Screen Fun

Let your inner Super Hero out by turning all your guests into their favorite characters with our Green Screen Studio. From putting people on top of buildings, to making them run with the bulls, no order is too tall for our creative team. Your guests will watch in amazement as we super impose them into your pre-arranged backgrounds in less time than it takes to get a drink from the bar.

Fred The Bull

That's right; we have a full size bull. His name is Fred. He always draws a crowd and is extremely pleasant to be around. His favorite pastime is posing for pictures with friends. Fred is the most popular bull in the world so you had better request him as soon as possible, as his social calendar fills up fast.

E.V.A.

Create out of this world images and memories using the latest addition to our family of services. E.V.A. can be configured to be an Open Air Photobooth, a Green Screen Studio, a Video Booth and so much more. Second to none in customization options she will ensure your guests enjoy their interaction with her and her two - print / email / upload stations.

Portrait Studio

How often do you get gussied up? When would you ever get that perfect portrait? Everyone will cherish getting a proper portrait taken at your next Gala event. We have a variety of backdrops to choose from and no event is too large for our Portable Onsite Portrait Studios. Our packages can include onsite printing of 4x6, 5x7 and 8x10 sizes for your guests to take home the same night.

Wandering Photobooth

Let us bring the Photobooth to your guests, allowing them to enjoy the fun from the comfort of their table. We bring hilarious props for guests to pose with and leave them with a printed memory that will last forever. Guests will watch in awe as we capture their image and then instantly print / email or upload it from the touchscreen station mounted to the portable cart.

Get Flipped

Our most fun service! Get Flipped takes 2 images of your guests and interlaces them into a single image. Once we apply the special lens, it allows you to see one image at a time and flip back and forth between the two images. Most guests relate this to the holograms we used to collect from cereal boxes when we were kids.
